DEPARTMENT OF THE INTERIOR

Commissioner to the Five Civilized Tribes

Muskogee, Indian Territory, March 9, 1907.

NOTICE IS HEREBY GIVEN that the undersigned, the Commissioner to the Five Civilized Tribes, has been designated by the Secretary of the Interior, as the official to make and approve appraisals of the value of improvements upon land in the Cherokee Nation which were made prior to November 5, 1906, by white persons who intermarried with Cherokee citizens prior to December 16, 1895, and who have the right under the Act of Congress approved March 2, 1907 (Public 180), to sell improvements.

NOTICE IS FURTHER GIVEN that former claimants to citizenship by intermarriage who have made permanent and valuable improvements on lands of the Cherokee Nation and who claim the right to sell the same under and by virtue of said Act of Congress of March 2, 1907 (Public 180), must appear before the Commissioner to the Five Civilized Tribes prior to April 1, 1907, and designate the land upon which are located the improvements which they claim the right to sell by virtue of said Act; and if any such intermarried citizen shall fail to appear before the Commissioner to the Five Civilized Tribes prior to April 1, 1907, it will be considered that he makes no claim to the benefits conferred by said Act. Such appearance and designation of improvements must be made before the Commissioner at his office in Muskogee, Indian Territory, at any time between Monday, March 11th, 1907, and Saturday, March 30th, 1907, inclusive, or at any of the following named places between the dates named at which places the Commissioner will have a representative to receive said designations and hear testimony relative thereto:

Tulsa, Ind. Ter., Monday March 25th, 1907, to Saturday March 30th, 1907, inclusive.

Claremore, Ind. Ter., Monday March 18th, 1907, to Saturday March 23rd, 1907, inclusive.

NOTICE IS FURTHER GIVEN that if any citizen of the Cherokee Nation entitled to select an allotment shall claim that the improvements on land tentatively selected by a former intermarried white claimant, or held by him, do not belong to said intermarried white claimant, or makes any adverse claim to said improvements, or to the right of the

Nation which were made prior to November 5, 1906, by white persons who intermarried with Cherokee citizens prior to December 16, 1895, and who have the right under the Act of Congress approved March 2, 1907 (Public 180), to sell improvements.

If any intermarried white claimant has made tentative selection of a full allotment he will not be allowed to designate improvements upon other land.

ACTING CHAIRMAN.

Tahlequah, Indian Territory, March 24, 1904.

Marvin Gibson,

Owasso, Indian Territory.

Dear Sir:

The Commission is in receipt of your letter of March 19, asking if you will be permitted to represent your wife by power of attorney and select the allotment in the Cherokee Nation for her.

In reply there is quoted for your information Rule 4 of the Regulations governing the selection of allotments in the Cherokee Nation which provides as follows:

"4. Applications for allotments and the designation of homesteads must be made in person by the citizen wife on behalf of herself and minor unmarried children if her husband is a citizen of the United States or of another Nation or Tribe."

Also it is the preferred practice of the Commission that the citizen wife should have personally visited and inspected the land desired.

But if there be serious reasons why your wife cannot comply with Rule 4 or the practice just stated, the Commission will consider the propriety of exercising its power of making allotments and designating homesteads at its discretion, basing the same upon your testimony and our records, with such other information as may be deemed necessary.

In order to avail yourself of the latter method of selection, you are requested, when you appear before the Land Office at

Tahlequah, to bring with you a request from your wife, duly attested by two witnesses, that the Commission select allotments and designate homesteads for herself, and stating that she is willing for the Commission to be guided therein by your testimony and such other information as it may deem satisfactory. For your convenience a form of such request is herewith inclosed.

When you appear before the Land Office at Tahlequah as herein contemplated, your wife's request and your testimony will be duly considered and passed upon.

If your wife has already duly executed a power of attorney for you to act for her in this matter, you can appear before the Land Office at Tahlequah and file the power of attorney in lieu of the request above referred to, said power of attorney being itself evidence of her willingness to be guided by your testimony.

It appears from the records of this Commission that application was made for the enrollment, as a citizen by blood of the Cherokee Nation, of your wife under the name of Louisa M. Lowrey, and that her name appears upon a partial roll of citizens by blood of the Cherokee Nation approved by the Secretary of the Interior. You are requested to forward to the Commission either the original or a certified copy of your marriage license and certificate of marriage to your wife, in order that her change in name may be shown upon the Commission's records.

Owasso, I.T., April 4, 1904

To the Commission to the Five Civilized Tribes,

Tahlequah, I.T.

Gentlemen:

Referring to yours of the 24th ult., I enclose original of my marriage license and marriage certificate--will properly fill my wife's request to you to permit my testimony in the selection of her allotments by you as you direct.

While my wife's name appears on the roll as "Louisa M. Lowrey," you will observe that in the license it is simply "Louisa Lowrey." The discrepancy in the license is due to the fact that in applying for the license, I gave only "Louisa," as that was the name by which she was familiarly known.

I should like to know soon whether you will require that we show the identity between "Louisa" and "Louisa M." If so, it can be easily done. However, you might indicate the course to be followed.

Very resp'y

John Marvin Gipson,

Owasso, Indian Territory.

Dear Sir:

The Commission is in receipt of your letter of April 4, enclosing your original marriage license and certificate showing your marriage on February 16, 1902, to Louisa Lowrey. You state that your wife has been listed for enrollment under the name of Louisa M. Lowrey, and ask to be advised if it will be necessary for you to produce evidence showing that the Louisa Lowrey to whom you were married and the person listed for enrollment as Louisa M. Lowrey are one and the same person.

In reply you are advised that the person to whom you were married has been identified as the identical person listed for enrollment as a citizen by blood of the Cherokee Nation under the name of Louisa M. Lowrey, and no evidence is required showing the variation in name.

Your marriage license and certificate of marriage transmitted with your letter is returned herewith, a copy of the same having been retained in the Commission's files.

Respectfully,

McDaniel and family are re-admitted. This is recognized as official evidence of the applicant's admission at the time stated, and the document is returned to him.

Commissioner Breckinridge:

The applicant applies for the enrollment of himself, his wife, and five children; he is shown to have been admitted to Cherokee citizenship in 1869, and he is identified on the roll of 1896 as a native Cherokee; he states that he has made his home in the Cherokee Nation ever since his admission in 1869, but he is not identified on the roll of 1880, which he explains by the fact of his being absent on a job of work connected with some cattle. He will be listed now for enrollment as a Cherokee by blood. His wife is identified on the rolls of 1880 and 1896 as a native Cherokee. The applicant states that she has lived in the Cherokee Nation ever since her enrollment in 1880, and she will be listed for enrollment as a Cherokee by blood. Her change of name arising from her marriage is explained by satisfactory personal testimony. Of the five children named in the testimony, the first four are identified on the roll of 1880; all of these children are by a former wife of the applicant, who is identified on the rolls of 1880 and 1896; they are all living at this time. The first four will be listed now for enrollment as Cherokees by blood; when a certificate is supplied of the birth of the youngest child, Alexander L., Jr., this child also will be listed for enrollment as a Cherokee by blood.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Arnaca Cochran, Maryin Cochran, Turner Cochran, Nellie Cochran, Ruth Cochran, Lettie Cochran, Jennie McDaniel, and Annie L. McDaniel, as citizens by blood of the Chickasaw Nation.

DECISION.

It appears from the census card record in this case that Arnaca Cochran (nee Wolf) made application to this Commission on March 21, 1899, for the enrollment of herself and her six children, Martin Cochran, Jennie McDaniel, Turner Cochran, Nellie Cochran, Ruth Cochran and Lettie Cochran, as citizens by blood of the Chickasaw Nation. Further proceedings were had in the matter of this application at Atoka, Indian Territory, on December 3, 1900, and at Chickasha, Indian Territory, on October 17, 1902, at which latter date written application was made for the enrollment as a citizen by blood of the Chickasaw Nation of Annie L. McDaniel, (born June 24, 1901), minor child of said Jennie McDaniel.

The records of the Commission further show that said Jennie McDaniel appeared before the Commission at Claremore, Indian Territory, on October 27, 1900, and made application for the enrollment of herself as a citizen by blood of the Cherokee Nation; that the applicant Arnaca Cochran, appeared before the Commission at Muskogee, Indian Territory, on February 20, 1901, and made application for the enrollment of herself and her four children, Martin Cochran, Nellie Cochran, Ruth Cochran and Lettie Cochran as citizens by blood of the Cherokee Nation, and on the same date the applicant Turner Cochran appeared before the Commission and made application for enrollment as a citizen by blood of the Cherokee Nation.

It further appears from the evidence in this case that the applicant Arnaca Cochran is the daughter of Joseph Wolf (deceased), who was recognized citizen by blood of the Chickasaw Nation, and of his wife, Jennie Wolf (deceased), who was a recognized citizen by blood of the Cherokee Nation; and that the other applicants herein who are children of said Arnaca Cochran are the offspring of the marriage between Alec Cochran (deceased), who was a recognized citizen by blood of the Cherokee Nation, and said Arnaca Cochran.

An examination of the tribal rolls of the Chickasaw Nation in the possession of the Commission shows that the names of the applicants Arnaca Cochran (as Anaca Cochrane), Martin Cochran (as Clem Cochrane), Jennie McDaniel (as Jennie Cochrane), Turner Cochran (as Turner Cochrane), Nellie Cochran (as Nellie Cochrane), Ruth Cochran (as Ruthie Cochrane) and Lettie Cochran (as Lettie Cochrane) appear upon the 1893 Chickasaw Leased District Payment roll, No.2, page 54, as citizens by blood of the Chickasaw Nation. The applicant, Annie L. McDaniel, having been born subsequent to the preparation of said roll is identified by proper proof of birth filed with and made a part of the record in this case.

It further appears from the evidence in this case that the applicant, Arnaca Cochran, appeared before the Commission at Chickasha, Indian Territory, on October 17, 1902, and under the provisions of section twenty-one of the act of Congress approved June 28, 1898 (30 Stat, 495), elected for herself and her children, Martin Cochran, Turner Cochran, Nellie Cochran, Ruth Cochran and Lettie Cochran, all of whom were on the date of said election unmarried and residing with said Arnaca Cochran, to be finally enrolled as citizens by blood of the Chickasaw Nation, and to take allotment of lands and distribution of moneys in said nation, and that on the same day said applicant, Jennie McDaniel, appeared before the Commission at said Chickasha, and under the provisions

of section twenty-one of said act of Congress elected for herself and her minor child,Annie L. McDaniel, to be finally enrolled as citizens by blood of said nation, and to take allotment of lands and distribution of moneys in said Chickasaw Nation.

It further appears that all the applicants herein who were living on June 28,1898, were on that date residents in good faith of Indian Territory, all applicants listed on census cards having been first examined as to such fact, although their testimony was not reduced to writing.

It is, therefore, the opinion of this Commission that Armaca Cochran, Martin Cochran, Jennie McDaniel, Annie L. McDaniel, Turner Cochran, Nellie Cochran, Ruth Cochran and Lettie Cochran should be enrolled as citizens by blood of the Chickasaw Nation, in accordance with the provisions of the acts of Congress approved June 28,1898 (30 Stat.,495) and July 1, 1902 (32 Stat.,641), and it is so ordered.

DEPARTMENT OF THE INTERIOR,

Refer in reply to the following:

OFFICE OF INDIAN AFFAIRS,

WASHINGTON, August 23, 1904.

The Honorable,

The Secretary of the Interior.

Sir:

There is inclosed a report from the Commission to the Five Civilized Tribes, dated March 11, 1904, transmitting the record relative to the application of Jennie McDaniel, et al., for enrollment as citizens by blood of the Cherokee Nation.

Alexander L. McDaniel applied for the enrollment of his wife, Jennie McDaniel, and their daughter, Mary E. McDaniel, as citizens by blood. The application also included Alexander L. McDaniel and his minor children, Robert, Kate, Nellie and Alexander L. McDaniel, Jr.

The Commission's decision shows that the names of the applicants last mentioned are upon the approved partial rolls of the citizens of the Cherokee Nation, and they are not therefore included in its decision.

Subsequent to the date of the original application there was filed with the Commission affidavit showing that Annie L. McDaniel, a minor, was born June 24, 1901.

September 16, 1902, affidavit was filed with the Commission which shows that Mary E. McDaniel died on May 24, 1901.

Annie or Arnaca Cochran applied for the enrollment of herself and her children, Martin, Nellie, Ruth and Lettie Cochran and Turner Cochran made application for the enrollment of himself.

Those of the applicants in being in 1880 are identified by the Cherokee tribal roll of that year, and those born since that time are identified by subsequent rolls, except Annie L. McDaniel, who is properly identified by birth affidavit. The evidence shows that Annie or Arnaca Cochran, Martin, Jennie McDaniel, Turner Cochran, Nellie Cochran, Ruth Cochran, Lettie Cochran, and Annie L. McDaniel, have been enrolled as citizens by blood of the Chickasaw Nation on partial rolls approved by the Department September 18, 1903.

Mary E. McDaniel was the child of Alexander L. McDaniel by his former wife. She died prior to September 1, 1902, and is not therefore entitled to enrollment as citizenby blood of the Cherokee Nation. It is shown by the record in the case that she died March 24, 1901.

Jennie McDaniel and Annie or Arnaca Cochran testified that they were willing to relinquish all rights in the Cherokee Nation if enrolled as citizens of the Chickasaw nation. The record shows that the applicants last mentioned and their children are of Chickasaw and Cherokee blood. The applicants having been enrolled as Chickasaws are not entitled to enrollment as Cherokees, and the approval of the Commission's decision unfavorable to their enrollment as Cherokees is recommended.

Very respectfully,

W. A. Jones,

The applicant applies for the enrollment of herself and two children. She is identified on the census roll of 1896 as an adopted white. She has lived in the Cherokee Nation all her life. She produces satisfactory evidence of her marriage on the 11th of May 1881, and avers that she separated from her husband in 1896. She secured a divorce in the United States Court for the Northern District of the Indian Territory from her husband James McClain and was also given the custody of her two children. Attention is called to Section 667 of the compiled laws of the Cherokee Nation of the year 1892, which reads as follows: "Every person who shall

lawfully mar ry under the provisions of this act and afterwards aban don his wife shall thereby forfit every right and privilege of citizenship in this Nation." This section is equally binding upon a wife who abandons her husband. For the further consideration of the Commission the applicant will be placed on what is known as a white card, and when the final judgment is rendered she will be notified in writing at her pre sent post office address. She will be classed as a Cherokee by intermarriage. As to the application which she makes on behalf of her two children, the father of these two children, and husband of applicant, is identified with the authenticated roll of 1880 and the census roll of 1896 as a native Cherokee. Her oldest child is identified on the census roll of 1896 as a native Cherokee and will be enrolled by this Commission as a Cherokee by blood. When she furnishes satisfactory and proper proof of the birth of the youngest child, it also will be listed for enrollment as a Cherokee by blood.

Commissioner Breckinridge:

The applicant applies for the enrollment of herself, her husband, and three children. She is shown to have been admitted with her father to Cherokee citizenship in 1869; she came here when an infant, and has lived here ever since. She is identified on the roll of 1896 as a native Cherokee; she is not identified on the roll of 1880, but this is explained by her temporary absence at Muskogee; she still being a child. She returned in a short time to the Cherokee Nation and has continued to live here ever since. She will now be listed for enrollment as a Cherokee by blood. The three children are identified with their parents on the roll of 1896; they are living, and will be listed now for enrollment as Cherokees by blood. The applicant's husband married her under United States law in 1885, and they were re-married under Cherokee law in 1896; he is identified on the roll of 1896; they have lived together ever since their first marriage; neither were previously married, but the Cherokee marriage is too late under the Cherokee law of 1895 to entitle him to enrollment, and therefore, the application for his enrollment is rejected.

E.C.Rothenberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full all proceedings in the above case, and that the foregoing is a true and complete translation of his stenographic notes in said case.

In the matter of the application for the enrollment of Ida S. Crutchfield, et al., as citizens by blood of the Cherokee Nation.

---: D E C I S I O N :---

It appears from the record herein that on October 27, 1900, Ida S. Crutchfield, appeared before this Commission, at Claremore, Indian Territory, and made application for the enrollment of herself and three minor children, Lee Roy, Cuba and Maggie Crutchfield, as citizens by blood of the Cherokee Nation, and for the enrollment of her husband, Elisha A. Crutchfield, as a citizen by intermarriage of said nation. On February 19, 1902, written application was made to this Commission for the enrollment of her minor child, Charles Crutchfield. The application of Elisha A. Crutchfield being differently classified is not passed upon in this decision.

It appears from the evidence in this case that Ida S. Crutchfield and her minor children are Cherokees by blood, all of whom, except Charles Crutchfield, are identified upon the 1896 Cherokee Census Roll. Charles Crutchfield having been born subsequent to the preparation of the last tribal roll, is identified by proper proof of birth filed herewith.

The evidence further shows that Ida S. Crutchfield is the daughter of David B. McDaniel, who, by an act of the Cherokee Council, approved December 15, 1869, was admitted to citizenship in the Cherokee Nation; the principal applicant, being, at that time, three months old.

It further appears that Ida S. Crutchfield has resided continuously in Indian Territory since 1869 up to and including September 1, 1902. The residence of the minor applicants herein is taken to be that of their mother.

It is therefore the opinion of this Commission that Ida S. Crutchfield, Lee Roy Crutchfield, Cuba Crutchfield, Maggie Crutchfield and Charles Crutchfield should be enrolled as citizens by blood of the Cherokee Nation, under the provisions of the Act of Congress approved June 28, 1898, (30 Stats., 495), and it is so ordered.

Commissioner Breckinridge-

The applicant applies for the enrollment of three orphan children of whom he is guardian, and of two orphans of another family that are in his charge. It develops in the course of examination that the eldest of the first set, Ida L. McDaniel has previously been enrolled under her own application. The application for the two, Jesse and Rose McDaniel is eliminated from the case, and certain evidence not being at hand, and a new application will be made for them. This case, therefore, concerns only Andrew J. and Arthur L. McDaniel, the children of Claude H. McDaniel, deceased. These two children, Andrew J. and Arthur L., are identified on the roll of 1896; they are living at this time. Their deceased father and mother are both identified on the roll of 1880, and these two children will now be listed for enrollment as Cherokees by blood.

E.C.Rothenberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full all proceedings in the above case, and that the foregoing is a true and complete translation of his stenographic notes in said case.

Q That is to say taking droves and feeding them? A Yes sir, and then driving them wherever they wanted them to go.
Q Just working for other men for wages was he? A Yes sir.

Com'r Breckinridge: The applicant applies for the enrollment of two orphan children, nephews of his; their father is shown to have been admitted to citizenship in 1869; it is shown that in 1880 he was on a trip with some cattle, and failed to be enrolled on that account; he died before the roll of 1880 was made, but is identified on the roll of 1894; it is shown that he made his home consistently in the Cherokee Nation from the time of his admission until his death; it is established by his mother that he was not married previous to his marriage to the mother of these children, nor was she married previous to her marriage to him. The mother is not identified on the roll of 1896, because she went to Texas immediately upon the death of her husband, but both of the children

are identified upon that roll; they are minors and are living now and will be listed for enrollment as Cherokees by blood.

M. D. Green, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case and that the foregoing is a true and complete transcript of his stenographic notes thereof.

_D_E_C_I_S_I_O_N_

THE RECORDS OF THIS OFFICE SHOW: That on October 27th, 1900, application was received by the Commission to the Five Civilized Tribes for the enrollment of William Fry as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Muskogee, Indian Territory, September 29th, 1902 and January 4th, 1907.

Q Your maiden name was Brown ? A Yes sir.

The applicant applies for the enrollment of herself, and one child. She is shown to have married her husband in July, 1894. They lived together in the Cherokee Nation until, as she states, she was compelled to separate herself from him on account of his violent and unreasonable conduct, in October of last year, since which time they have lived apart, but have not been divorced. She states that neither he nor she were previously married. He is identified on the rolls of 1880 and 1896, as a native Cherokee, and is said to have lived in the Cherokee Nation all his life. She is identified on the roll of 1896. Reference is made in connection with this case to Section 667, of the laws of the Cherokee Nation, edition of 1892.

It is not believed from the circumstances of this case that this is a case of abandonment, such as is contemplated by the law, but in order that the case may receive the decision of the full Commission, it will for the present be placed on a doubtful card, the applicant being listed as a Cherokee by adoption.

When she presents a certificate of the birth of her child, Teesey Chambers, this child will be listed for enrollment as a Cherokee by blood.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of ISAAC P. HOWELL as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That at Claremore, Indian Territory, October 29, 1900 application was received by the Commission to the Five Civilized Tribes for the enrollment of Isaac P. Howell as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Muskogee, Indian Territory, September 29, 1902, March 3, 1905 and February 26, 1907.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Isaac P. Howell, a white man, was married in the State of Arkansas in 1867 to his wife, Rebecca Howell, nee Woods, who is identified on the Cherokee authenticated tribal roll of 1880, Going Snake District No.830 as a native Cherokee, and whose name appears upon the approved partial roll of citizens by blood of the Cherokee Nation opposite No.12043. It is further shown that subsequent to the said marriage of the said Isaac P. Howell and Rebecca Howell they removed to the Cherokee Nation, whereupon, the said Isaac P. Howell was on December 5, 1869 re-admitted to citizenship therein by the duly constituted authorities of said Nation. The record of said re-admission is construed to have included that of his wife, the said Rebecca Howell: The evidence also shows the said Isaac P. Howell and Rebecca Howell to have been re-married in accordance with Cherokee law in 1871. It is also shown that from the time of their said removal the said Isaac P. Howell and Rebecca Howell resided together as husband and wife and continuously lived in the Cherokee Nation up to and including September 1, 1902. It appears also that the said Isaac P. Howell had been married prior to his marriage to the said Rebecca Howell to a woman from whom he claims to have been divorced, and it is a presumption of law in favor of the validity of the second marriage that the said Isaac P. Howell was divorced from his first wife before his marriage to Rebecca Howell. Said applicant is identified on the Cherokee authenticated tribal roll of 1880 and the Cherokee census roll of 1896 as an intermarried citizen of the Cherokee Nation.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States dated November 5, 1906 in the cases of Daniel Red Bird, et al. vs. the United States, Nos. 125, 126, 127 and 128, the said applicant, Isaac P. Howell is entitled, under the provisions of Section Twenty-one of the Act of Congress approved June 28, 1898 (30 Stats. 495), to enrollment as a citizen by intermarriage of the Cherokee Nation, and his application for enrollment as such is accordingly granted.

Commission: The applicant presents a certificate of admission issued by the Commission on citizenship, Tahlequah, Cherokee Nation, on the 1st day of April, 1887, signed by J. T. Adair, Chairman of the Commission on Citizenship, Henry Niffert, Clerk of the Commission on Citizenship, approved and endorsed by D. W. Bushyhead, Principal Chief of the Cherokee Nation. Document bears the seal of the Cherokee Nation. The certificate admits to Cherokee citizenship in the Cherokee Nation one R. A. Booth, aged at that time 28 years; is the R. A. Booth mentioned in this document your wife ?
A Yes sir.

Commission: The applicant also presents a Cherokee marriage license authorizing the marriage of F. M. Boothe, a citizen of the United States and Miss R. A. Booth, a citizen of the Cherokee Nation issued on the 12th day of August, 1889, signed by ALLEN ROSS, Clerk of the Tahlequah District, Cherokee Nation.

The marriage license is indorsed on the back as follows: "The within license has been recorded in the Clerk's office in Tahlequah District, Cherokee Nation, Indian Territory. Allen Ross, Clerk, Tahlequah District, Cherokee Nation.

Q Have you any marriage certificate shewing that this marriage was performed ? A Yes sir (Produces papers).

Commission: In answer to the question just asked, the applicant presents a marriage license authorizing the rights of matrimony between F. M. Boothe and R. A. Keys, issued on the 26th day of December, 1884 by John D. Talley, Judge of the Probate Court, Jackson County, State of Alabama, and a certificate shewing that the above parties were married on the 28th day of December, 1884 by Rev. J. E. Peterson; this document and the one previously cited are hereby filed.

Q You just stated that you were informed by the Clerk of the Tahlequah District that it would not be necessary for you to be re-married under the laws of the Cherokee Nation, and that you simply got out a license, and you were not re-married under the Cherokee law ?
A We got the signers and complied with the Cherokee law in full, and I presented this certificate you just now read, and he said we was already married, and he would issue the license, as we had already complied with the laws, and he recorded them.

Q After you secured this license you did not go before a minister of the gospel or any other person authorized to x celebrate the rights of matrimony in order to be married in accordance with that Cherokee license did you ?
A Under his instructions he told me it wasn't necessary; that we was already married; that he would issue this license; we got those signers as the law required that they was necessary in order to adopt the white man to citizenship here, he said he was authorized to join in matrimony himself, but he said it wasn't necessary.

Q You were never re-married under Cherokee laws, you simply secured a license? A No sir, just license; we was already joined in matrimony, and I shewed my certificate to that effect and we presented ourselves for the remarriage, but he said it wasn't necessary.

Q Give me the names and ages of the children for whom you now desire to make application ? A Francis L. Boothe.
Q How old is that child ? A 9 years old.

1896 roll page 294 #44 Frances M. Booth Coowescoowee Dist. intermarried white
1896 roll page 105 #184 Rebecca A. Booth, Native Cherokee, Coowescoowee;
1896 roll page 105 #185 Frances L. Booth, Coowescoowee;
1896 roll page 105 #186 Grover C. Booth, "
Q Did your wife make application to the Commission to the Five Civilized Tribes in 1896 for the purpose of being enrolled as a citizen of the Cherokee Nation ? A 1897; I taken that document out and sent it to the Commission, and when they started around taking this census I sent for it.

The Commission: The applicant applies for the enrollment of himself, his wife and three children; he is identified on the 1896 census roll as an adopted white; he removed to the Cherokee Nation in the year 1885, and has made this his home continuously since that time; he presents a marriage license and certificate showing that he and one R. A. Keys were married in accordance with the laws of the State of Alabama on the 26th day of December, 1884; he also produces a Cherokee marriage license authorizing his marriage to R. A. Booth, issued on the 12th day of August, 1889; this license was duly recorded by the Clerk of Tahlequah District Cherokee Nation; it appears that he was never really re-married in accordance with the laws and customs of the Cherokee Nation; that he secured his license from the Clerk of the Tahlequah District in 1889 and was informed by the Clerk of said district that in so doing he had complied in all respects with the laws and customs of the Cherokee Nation, and that it would not be necessary for him to be re-married either by a minister of the gospel or any legally authorized person; for the reason that he was not re-married in accordance with the law and customs of the Cherokee Nation, he will be placed upon what is known as a doubtful card, for the further consideration of the Commission, and when the final decision in his case is rendered, he will be notified in writing at his present post-office address.

As to the application which he makes in behalf of his wife, Rebecca A.: He presents a certificate issued by the Commission on Citizenship admitting one R. A. Booth to citizenship in the Cherokee Nation on the 1st day of April, 1887; he avers that said R. A. Booth is his present wife; she is identified on the census roll of 1896 as a native Cherokee; she has made her home continuously in the Cherokee Nation since the year 1885, and will be enrolled by the Commission as a Cherokee by blood; his two oldest children are identified upon the census roll of 1896, together with their mother, and satisfactory proof as to their residence having been given, they will also be listed for enrollment by this Commission as Cherokees by blood; when he files satisfactory proof as to the birth of his youngest child, in the form of affidavits, this child also will be listed for enrollment as a Cherokee by blood.

Q You just stated that you were informed by the clerk of Tahlequah District that it would not be necessary for you to be re-married under the laws of the Cherokee Nation, and that you simply got out a license, and were not remarried under the Cherokee law? A We got the signers and complied with the Cherokee laws in full and I presented this certificate you just now read and he said we was already married, and he would issue the license, as we had already complied with the laws, and he recorded them.
Q After you secured this license you did not go before a minister of the Gospel or any other person authorized to celebrate the rights of matrimony in order to be married in accordance with that Cherokee license did you? A Under his instructions he told me it wasn't necessary; that we was already married; that he would issue this license; we got these signers, as the laws required that they was necessary in order to adopt the white man to citizenship here he said he was authorized to join in matrimony himself, but he said it wasn't necessary.
Q You were not remarried under Cherokee laws, you simply secured a license A No sir, just license; we was air ady joined in matrimony and I showed my certificate to that effect and we presented ourselves for the remarriage but he said it wasn't necessary
Q Give the names and ages of the children for whom you now desire to make allotments A Frances L. Boothe
Q How old is that child? A 9 years old.
Q What is the name of the next child? A Grover C. Boothe.
Q How old is that child? A He is 6 I believe.
Q What is the name of the next child? A Francis M. Jr.
Q How old is that child? A He is 4 years old.
Q That's all of your children? A That's all.
Q Are these children all alive and living with you at the present time? A Yes sir.
Q You are the father of the children? A Yes sir
Q Your wife is their mother? A Yes sir.
Q In what district were you living in 1896? A I was living in this district, I presume; yes, I was living in this district.

Q Did you ever make application to the commission to the Five Civilized Tribes in 1896 for the purpose of being enrolled as a

citizen of the Cherokee Nation No A 1809; I taken that document out and sent it to the commission, and when they started around takin this census I sent for it.

The Commission: The applicant applies for the enrollment of himself, his wife and three children; he is identified on the 1896 census roll as an adopted white; he removed to the Cherokee Nation in the year 1888, and has made this his home continuously since that time; he presents a marriage license and certificate, showing that he and one R. A. Keys were married in accordance with the laws of the State of Alabama on the 26th day of December 1894; he also produces a Cherokee marriage license, authorizing his marriage to R.A. Booth, issued on the 14th day of August 1899; this license was duly recorded by the clerk of Tahlequah District Cherokee Nation; it appears that he was never really re-married in accordance with the laws and customs of the Cherokee Nation, that he secured his license from the clerk of Tahlequah District in 1899 and was informed by the clerk of said district, that in so doing he had complied in all respects with the laws and customs of the Cherokee Nation and that it would not be necessary for him to be remarried either by a minister of the Gospel or any legally authorized person; for the reason that he was not re-married in accordance with the law and customs of the Cherokee Nation he willbe placed upon what is know as a doubtful card, for the further consideration of the commission, and when the final decision in the case is rendered he will be notified in writing at his present post-office address.

As to the application which he makes in behalf of his wife, Rebecca A.; He presents a certificate issued by the commission on citizenship, admitting one R. A. Booth to citizenship in the Cherokee Nation on the 1st day of April, 1897; he avers that said R.A. Booth is his present wife; she is identified on the census roll of 1896 as a native Cherokee; she has made her home continuously in the Cherokee Nation since the year 1888, and will be enrolled by the commission as a Cherokee by blood; his two oldest children are identified upon the census roll of 1896, together with their mother, and satisfactory proof as to their relationship having been given, they will be also be listed for enrollment by this commission as Cherokees by blood; when he filed satisfactory proof as to the birth of his youngest child, in the form of affidavits, this child also will be listed for enrollment as a Cherokee by blood.

M.D.Green, being first duly sworn, states that as stenographer to the commission to the Five Civili zed Tribes he correctly recorded the testimony and proceedings in this case and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Commission-

The applicant applies for the enrollment of himself, his wife, and two children. He is not identified upon the authenticated roll of 1880 as he was in Texas when said roll was compiled. He is identified on the Census roll of 1896 as a native Cherokee. He avers that he was admitted to citizenship some time in 1882, and the present record of the list of persons admitted and re-admitted to Cherokee citizenship by the Nation Council and Commission on Citizenship in the year 1882 and since that year, in the possession of the Cherokee representative present, shows that one John M. Beck was admitted by an act of the Cherokee Nation, January 11, 1883. Said record also shows that the applicant's mother, Emily Measles, a female, was admitted by an act of the Cherokee Council on January 11, 1882. The applicant states that his mother has in her possession either the original or a certified copy of this act, and he will be required to file said certificate with the Commission. He avers that he was married in 1882 to Cynthia Raysdale, a Cherokee citizen by blood; they were living together previous to that time, nor was she his wife; they have lived continuously since 1882 as man and wife. His wife is identified on the authenticated roll of 1880 and the Census roll of 1896 as a native Cherokee; she has lived in the Cherokee Nation all her life, and will be listed by this Commission together with her husband as Cherokee citizens by blood; he having also made his home continually in the Cherokee Nation since his birth. Her child, Jessie B., is identified on the Census roll of 1896 as a native Cherokee, and satisfactory proof as to her residence having been made, she will be listed for enrollment together with her parents as a Cherokee by blood. And when he files with this Commission satisfactory proof as to the birth of his youngest child, John B., in the form of affidavits, this child will also be enrolled with its parents as a Cherokee by blood.

E.G.Rothenberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he reported in full all proceedings in the above case, and that the foregoing is a true and complete translation of his stenographic notes in said case.

In the matter of the application for the enrollment of Mariah Perry, as a citizen of the Cherokee Nation of Shawnee blood.

---: D E C I S I O N :---

The record in this case shows that on October 2, 1900, John Secondine appeared before this Commission, at Vinita, Indian Territory, and made application, among others, for the enrollment of his mother-in-law, Mariah Perry. Further proceedings were had in the matter of this application, at Vinita, Indian Territory, on December 4, 1903.

The evidence in this case shows that Mariah Perry was about 58 years of age and invalid at the time application was made for her enrollment; that she is of Shawnee blood and has resided continuously in the Cherokee Nation for many years. She is duly identified upon the 1880 Cherokee Authenticated Roll and 1896 Cherokee Census Roll.

It is therefore the opinion of this Commission that Mariah Perry should be enrolled as a citizen of the Cherokee Nation of Shawnee blood, under the provisions of Section Twenty-one of the Act of Congress approved June 28, 1898, (30 Stats., 495), and it is so ordered.

The name of the other child, Henry C. French, does not appear in the list of North Carolina Cherokees, removing to the Cherokee Nation in 1881, for the reason that he was born subsequent to that time: However, he is identified on the roll of 1896; and his mother in the printed list of North Carolina Cherokees: He has lived in the Cherokee Nation all his life, and he, Henry C. French, will be duly listed for enrollment by this Commission as a Cherokee citizen by blood.

DEPARTMENT OF THE INTERIOR,

COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Charles H. Bacon as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That at Claremore, Indian Territory, October 29, 1900, application was received by the Commission to the Five Civilized Tribes for the enrollment of Charles H. Bacon as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Muskogee, Indian Territory, September 30, 1900.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Charles H. Bacon, is a white man, and neither claims nor possesses any right to enrollment as a citizen of the Cherokee Nation other than such right as he may have acquired by reason of his marriage to one Sarah Bacon, a Cherokee by blood. It is further shown that said parties were first married in the state of Texas in the year 1875; that subsequent to said marriage they removed to the Cherokee Nation, and that on November 8, 1882, they were remarried in accordance with the law of the Cherokee Nation. In view of the foregoing it is considered that Charles H. Bacon did not marry, in accordance with Cherokee law, a citizen by blood of the Cherokee Nation prior to November 1, 1875.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States, dated November 5,1906, in the cases of Daniel Red Bird, et al., vs. the United States, Nos. 125, 126, 127 and 128, the said applicant, Charles H. Bacon, is not entitled, under the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stat. 495), to enrollment as a citizen by intermarriage of the Cherokee Nation, and his application for enrollment as such is accordingly denied.

The applicant applies for the enrollment of herself as an intermarried citizen of the Cherokee Nation. Said Cornwell is identified upon the authenticated roll of the Cherokee Nation on the roll of 1880 and upon the 1896 census roll as a native Cherokee. She avers that they lived together as man and wife until March 8th or 9th, 1895, and that previous to that time he had treated her with extreme cruelty and by cursing and beating her with a stick. It appears that the Court granted her a divorce from the said James Cornwell on the 31st day of October, 1896, for the reasons just shown. She will be listed for enrollment by this Commission as a Cherokee citizen by intermarriage. She has resided continuously in the Cherokee Nation since the year 1891.

Q In the Cherokee nation? A Yes sir.
Q After the separation where did you go? A I lived on the farm until four years ago, we moved to Collinsville.
Q You mean to say you staid on the farm after the separation? A Yes, my mother and stepfather lived on the farm when we parted.
Q Where did he go? A To his mothers, six miles each from Timber Hill.
Q What was the cause of your separation? A His drinking and cruel treatment.
Q Did he ever make any effort to get you to return to him? A He came to me once and asked me to come back and I told him I wouldn't; that was the only time.
Q Since your separation, have you been divorced? A Yes sir.
Q Who applied for the divorce? A I did.
Q What court? A Claremore Cherokee court.
Q What year did you apply for the divorce? A We parted in March and I believe it was in August I applied for the divorce.
Q The following August? A Yes, the papers will tell.
Q Have you ever married since your separation from your husband? A No.
Q You were still single on the first day of September, 1902? A Yes sir.
Q Where is your husband living now? A I couldn't say where he is living; he is married again and I think he is living somewhere near his mothers.
Q Have you lived in the Cherokee nation all the time since you were married to your husband? A Yes, I have made it my home; I havn't been there all the time. I was at Ft. Scott when my sister died, about three weeks, and Oklahoma City I was visiting three weeks.
Q Is three weeks the longest you ever staid out? A Yes sir.

Cherokee No. 5078

Muskogee, Indian Territory, September 22nd, 1902.

Icy L. Cornwell,

Collinsville, Indian Territory.

Dear Madam:

The Act of Congress, approved July 1, 1902, and entitled ''An Act To provide for the allotment of the lands of the Cherokee Nation, for the disposition of town sites therein, and for other purposes,'' (Public No. 241), provides that ''the roll of citizens of the Cherokee Nation shall be made as of September first, nineteen-hundred and two.''

In accordance with said provision, you are hereby notified that the Commission to the Five Civilized Tribes will be at its offices at Muskogee, Indian Territory, until Friday, October 31, 1902, inclusive, for the purpose of affording you an opportunity to show that you have not, between the date of the original application for your enrollment and Sept 2, 1902, forfeited your right as a citizen by intermarriage of the Cherokee Nation.

This evidence should be introduced immediately, as it is necessary in determining your right to share in the allotment of the lands of the Cherokee Nation, and until the same is furnished no further action can be taken looking toward your final enrollment as an intermarried citizen.

Yours truly,

Acting Chairman.

Sir:

Evidence has been secured by this office showing that John Pecan (grandfather of your ward, William Gibson), whose name appears on the roll of Cherokee citizens by blood opposite No. 24813, died in the year 1901.

The act of Congress of July 1, 1902 (32 Stats., 716), contains the following provision:

> "That no allotment of land or other tribal property shall be made to any person, or to the heirs of any person, whose name is on said roll and who died prior to the first day of September, nineteen hundred and two. The right of such person to any interest in the lands or other tribal property shall be deemed to have become extinguished and to have passed to the tribe in general upon his death before said date, and any person or persons who may conceal the death of anyone on said roll as aforesaid for the purpose of profiting by said concealment, and who shall knowingly receive any portion of any land or other tribal property or of the proceeds so arising from any allotment prohibited by this section, shall be deemed guilty of a felony, and shall be proceeded against as may be provided in other cases of felony, and the penalty for this offense shall be confinement at hard labor for a period of not less than one year nor more than five years, and in addition thereto a forfeiture to the Cherokee nation of the lands, other tribal property, and proceeds so obtained."

You are, therefore, notified that on or before February 21, 1910, you may appear at this office, if you so desire, to show cause why recommendation should not be made to the Department of the Interior that the following notation be placed opposite the name of John Pegan on the approved roll of Cherokee citizens:

"Died prior to September 1, 1902;not entitled to land or money."

Subject:
Enrollment of
John Pecan, a
Cherokee.

5-082

Muskogee, Oklahoma, April 8, 1910.

The Honorable,

The Secretary of the Interior,

Sir:

I have the honor to bring to the attention of the Department the case of John Pecan, whose name appears on the final approved roll of citizens by blood of the Cherokee Nation opposite number 24813 on the approved roll of such citizens.

No application to select an allotment of land for John Pecan having been made, an investigation was begun to ascertain whether or not he was living, and if not, the date of his death, and the testimony secured as the result of such investigation appears to show conclusively that John Pecan died in September, 1901.

Samuel Perry, guardian of William Gibson, a minor, and the only identified heir to the estate of John Pecan, was duly notified of the information secured by the office, and that he might, within thirty days from date of notice show cause why recommendation should not be made that a note

be placed on the final roll opposite the name of John Pecan to the effect that he had died prior to September 1, 1902, and was not entitled to land or money. In response to this notice Samuel Perry advised the office that he thought John Pecan died on September 26, 1906, and that he would file further information. This letter was received on February 10, 1910, and after thirty days, Mr. Perry was again notified that he would be allowed an additional fifteen days within which to submit the information to which he referred. This notice was duly received, as was evidenced by the return of the registry receipt, but no response thereto has been made.

I therefore have the honor to recommend that there be placed on the final approved roll of citizens by blood of the Cherokee Nation opposite the name of John Pecan at number 24813, the following notation:

"Died prior to September 1, 1902, not entitled to land or money."

A copy of the record in this case is transmitted herewith.

Respectfully,

"Through the
Commissioner of
Indian Affairs."

APR 25 1910

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to transmit herewith a report dated April 8, 1910, from the Acting Commissioner to the Five Civilized Tribes relative to the death of John Pecan, whose name appears opposite No. 24813 on the final approved roll of citizens by blood of the Cherokee Nation.

It appears from the papers inclosed that the person named died prior to September 1, 1902. It is provided in section 31 of the Act of Congress approved July 1, 1902 (32 Stat. L., 716), that no allotment of land or other tribal property shall be made to any person or to the heirs of any person whose name is on the Cherokee roll and who died prior to September 1, 1902.

It is therefore recommended that opposite the name of John Pecan upon the final approved roll of citizens by blood of the Cherokee Nation there be placed the notation "Died prior to September 1, 1902; not entitled to land or money," and that this Office and the Commissioner to the Five Civilized Tribes

be authorized to make a similar notation upon the copies of the roll in their possession.

From the report of the Acting Commissioner to the Five Civilized Tribes it appears that notice was sent to the heirs of John Pecan and that they were afforded an opportunity to show cause why the proposed action should not be taken.

Very respectfully,

(Signed) R. G. Valentine,
Commissioner.

The applicant applies for the enrollment of himself, his wife and five children. He is identified upon the census roll of 1896 as

an adopted white. He presents satisfactory evidence of his marriage in accordance with the laws and custo s of the Cherokee Nation on the 19th. day of June, 1895. He avers that his wife was previously married to one William Penn, a white man, but that her marriage to said Penn wasn't legal for the reason that Penn at that time had a wife living from whom he had never been divorced. He produces no satisfactory evidence as to this fact, and for that reason his name will be placed upon a doubtful card for the further consideration of the Commission, and when final decision isx rendered in his case, he will be notified at his post office address, in writing. He has lived in the Cherokee Nation for 16 years and will be listed for enrollment as a citizen by intermarriage. His wife is identified on the 1880authenticated roll under her maiden name, and upon the 1896 roll under the name of her present husband. She is a native Cherokee, has lived in the Cherokee Nation all her life, and will be enrolled by this Commission as a Cherokee citizen by blood. DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES,
CLAREMORE, I.T., OCTOBER 29th, 1900.

In the matter of the application of Ida Bell Allison for enrollment as a citizen of the Cherokee Nation; said Allison being sworn and examined by Commissioner Breckinridge, testified as follows:

Q How long have you lived in the Cherokee Nation? A Since '94.
Q Give me the name of your father? A William Allison.
Q Is he dead? A Yes, sir.
Q Give me the name ofyour mother? A Margaret Allison.
Q Is she dead? A Yes, sir.
Q Have you been admitted to citizenship by the Cherokee Commission or Council? A Yes, sir.
Q Your mother was admitted? A Yes, sir.
Q Let me see your certificate of admission? (Presents same.)
Q When did your mother come to the Cherokee Nation? A In '94.
Q What time in 1894? A It was in October, I believe.
Q When did she die? A She died in 1895.
Q You came with her in 1894? A Yes, sir.
Q You have lived here ever since? A Yes, sir.

Com'r:--The applicant presents an official certificate to the effect that Margaret Allison was readmitted to citizenship in the Cherokee Nation by an Act of the National Council approved December 8, 1894, with the proviso that she remove within the limits of the Nation within six months after the passage of the act. This is recognized as official evidence of th e admission of the person named as stated, and the document is returned to the applicant.

Q And you came with her and have lived here ever since? A Yes, sir.

Q Has she been livingin the Cherokee nation all the time? A Yes, sir.
Do you know any reason why she should be omitted from the roll of 1896? A Not any except that she may be omitted on account of her mother dying in 1895.
Q She is a daughter of Margaret Allison who was admitted in 1894? A Yes, sir.
Q She came here with her mother in 1894? A Yes, sir.

Ida Bell Allison--2.

Com'r Brockinridge:--It is shown that the applicant's mother was admitted to citizenship in December, 1894, and the applicant who is still a minor came to the Cherokee Nation October in the same year, being prior to the passage of the Act of Admission. It is shown by her own and other satisfactory personal testimony that she has lived in the Cherokee Nation ever since she came in October, 1894. She is not identified on the roll of 1896, but it is considered due to the death of her mother and to the consequent neglect in the matter of her enrollment. There is considered to be, however, no question as to the admission by the Cherokee Council and of her consistent residence in the Cherokee Nation ever since, and she will be listedd for enrollment as a Cherokee by blood.

♦♦♦♦♦

The records in these several cases show that on October 29, 1900, Ida B. Allison appeared before the Commission at Claremore, Indian Territory, and made personal application for the enrollment of herself as a citizen by blood of the Cherokee Nation;

On the same date and at the same place, Jasper P. Allison appeared and made personal application for the enrollment of his minor brothers, George A. and Elmer C. Allison, as citizens by blood of the Cherokee Nation;

On the same date and at the same place, Jasper P. Allison appeared and made personal application for the enrollment of himself and his minor child, Johnnie S. Allison, as citizens by blood of the Cherokee Nation. Thereafter, on August 23, 1901, a birth affidavit was filed with this Commission, wherein it is shown that another child, Frankie P. Allison, was born on July 10, 1901.

The evidence shows that the applicants, Ida B., George A., Elmer C. and Jasper P. Allison, are the children of William Allison, a non-citizen, and Margaret Allison, a Cherokee by blood; that the said Margaret Allison was readmitted to citizenship in the Cherokee Nation by an act of the Cherokee National Council, approved December 8, 1894; that at the time of the readmission of said Margaret Allison, all of the said applicants were minors. It is further shown that Johnnie S. and Frankie P. Allison are the children of Jasper P. and his wife, Junie A. Allison. Said children are identified by birth affidavits made a part of the record herein.

The evidence further shows that all the applicants herein, excepting the two last named, have lived in the Cherokee Nation continuously since their mother's readmission in 1894; said two last named applicants have lived in the Cherokee Nation since birth.

It is, therefore, the opinion of this Commission that, following the decision of the Department in the case of Fruea L. Rowland et al., (7989-1902), Ida B. Allison, George A. Allison, Elmer C. Allison, Jasper P. Allison, Johnnie B. Allison and Frankie P. Allison should be enrolled as citizens by blood of the Cherokee Nation, in accordance with the provisions of section twenty-one of the act of Congress approved June 28, 1898, (30 Stats., 495), and it is so ordered.

Protest of the Cherokee Nation.

The Cherokee Nation protests against the decision of the Commission rendered in this case on September 11th 1903 and requests that the record be forwarded to the Honorable Secretary of the Interior for Review.

The principal applicants were applicants to the Commission to the Five Civilized Tribes in 1896 at which time this same Commission determined that they were not citizens of the Cherokee Nation and we contend that the judgment of this Commission in 1896, is binding on this Commission now and that these applicants should not be enrolled as citizens of the Cherokee Nation.

DEPARTMENT OF THE INTERIOR,

Office of Indian Affairs,

Washington, April 1, 1904.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to transmit herewith a report from the Commission to the Five Civilized Tribes dated October 10, 1903, transmitting the record relative to the application of Ida B. Allison et al. for enrollment as citizens by blood of the Cherokee nation. Ida Allison applied for the enrollment of herself. Jasper P. Allison applied for the enrollment of himself and his minor children, George A. and Elmer C. Allison. He also applied for the enrollment of his minor child, Jonnie Allison. Subsequent to the date of the original application, application was also made for the enrollment of Frankie P. Allison, minor child of Junia A. and Jasper P. Allison. Said miner was born July 10, 1901, and is properly identified by birth affidavit.

The record in this case shows that Ida B., Allison A., Elmer C. and Jasper P. Allison are the children of William Allison, a non-citizen, and Margaret Allison, a Cherokee by blood, who was readmitted to citizenship in the Cherokee nation by the National Council under an act approved December 8, 1894, and that at the time of the readmission of Margaret Allison all of the applicants above named were minors. Jonnie S. and Frankie P. Allison are the minor children of Jasper P. and Junia A. Allison.

The evidence further shows that all of the applicants except the two minors last mentioned have lived in the Cherokee nation since the readmission of Margaret Allison in 1894.

September 11, 1903, the Commission rendered a decision favorable to all of the applicants. The nation protests against this decision, and takes the position that as all of the applicants applied to the Commission in 1896, and were rejected, they are not now entitled to enrollment, as the Commission's decision in 1896 became final.

If these applicants are entitled to enrollment it is by virtue of being descendants of a person admitted to citizenship in the Cherokee nation by the tribal authorities.

From the record it appears that the act of December 8, 1904, required that Margaret Allison remove within the limits of the Cherokee Nation within six months from the approval of the act, and the evidence shows that she complied with the requirements of the act of admission. Her minor children do not seem to have been mentioned in the act, but their rights, it appears to this office, were settled by the Department in the Pruea L. Rowland case, and it is not believed that the decision of the Commission in 1896 has any effect upon their rights. Under the Department's decision in the Rowland case the principal applicants were entitled to admission in 1896, and they were entitled to admission by reason of being citizens of the Cherokee nation, by virtue of the fact that their mother was admitted to citizenship at a time when they were minors.

The approval of the Commission's decision, favorable to all of the applicants, is recommended.

Very respectfully,

A. C. Tonner,

GAW-Ma

Acting Commissioner.

DIRECT

Muskogee, Indian Territory, February 27, 1907

The Honorable,

Secretary of the Interior.

Sir:

I am in receipt of Departmental telegram of February 23, 1907, directing me to inspect the approved rolls of citizens of the Cherokee Nation to determine what persons have been enrolled thereon contrary to the views expressed by the Attorney General in his opinion of February 19, 1907, and whose names should be stricken therefrom, and also directing me to furnish the Department with a list of such names, with their roll numbers, and such information as will permit of its being determined whether such names should be stricken from the rolls. I am also in receipt of Departmental letter of same date (I.T.D. 4864-1907), confirming said telegram.

In reply thereto, here follows a list of the persons whose names appear upon the final approved rolls of the Cherokee Nation whose right to enrollment is adversely affected by the opinion of the Attorney General of February 19, 1907, and in the opinion of this office the

names should, if the opinion of the Attorney General is to be followed in all cases, be stricken from the final roll of citizens of the Cherokee Nation, as their names appear thereon opposite the numbers indicated.

Sufficient data accompanies each case referred to to indicate the reasons for the above recommendation.

31910 Allison, John

31956, Allison, Ida B.

31957 Allison, George A. Patent recorded

31958 Allison, Elmer C.

31959 Allison, Jasper P. Patent recorded.

31960 Allison, Johnnie S.

31961 Allison, Frankie P. Patent recorded

Of the above named persons application was made to the Commission to the Five Civilized Tribes for the admission to citizenship in the Cherokee Nation, under the provisions of the Act of Congress approved June 10, 1896 (29 Stat. 321), for John Allison, Ida B. Allison, George A. Allison, Elmer C. Allison, and Jasper P. Allison; their

application was denied by the Commission and no appeal was taken therefrom.

The decision of the Commission to the Five Civilized Tribes granting the application of John Allison for enrollment as a citizen by blood of the Cherokee Nation was affirmed by the Department April 11, 1904 (I.T.D. 9038-1903-2866-1904). The decision of the Commission to the Five Civilized Tribes granting the application for the enrollment of the other above named persons as citizens by blood of the Cherokee Nation, was affirmed by the Department April 16, 1904 (I.T.D. 2868-1904).

Johnnie S. Allison and Frankie P. Allison, are minor children of Jasper P. Allison, were born since the decision of the Commission under the Act of June 10, 1896, and possess no right to enrollment as citizens of the Cherokee Nation, other than as descendants of their said father.

The mother of these persons, other than Johnnie S. and Frankie P. Allison, was Margaret Allison, now deceased, who was admitted to citizenship in the Cherokee Nation under an Act of the Cherokee National Council approved

December 8, 1894, conditioned upon her removal to the Cherokee Nation within six months from the approval of said Act. The records in these cases show that she complied with the requirements of the Act. Her said children were minors when she was admitted to citizenship, and they removed to and settled in the Cherokee Nation in 1894.

The records of this office further show that said Margaret Allison applied to the Commission to the Five Civilized Tribes for admission to citizenship in the Cherokee Nation, under said Act of June 10, 1896, and that her application was also denied by the Commission.

The status of the persons whose names appear in the above list as citizens of the Cherokee Nation, remains unchanged since 1896 except as above noted.

In the above list in all cases where patents have been recorded in the office of the Commissioner to the Five Civilized Tribes, notation has been made to that effect. Where no notation relative to patents appears it indicates that no patents to any allotment selection which

Secretary-5

may have been made by the persons affected , has been re-
served.

These persons enrolled in the Choctaw, Chickasaw, and Creek Nations, whose right to enrollment is adversely affected by the opinion of the Attorney General of February 19, 1907, heretofore referred to, will be made the subjects of separate communications of this date.

Respectfully,

THE RECORDS FURTHER SHOW: That said persons possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875. The name of no one of said persons is identified on the Cherokee authenticated roll of 1880.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States, dated November 5, 1906, in the cases of Daniel Red Bird, et al., vs. the United States, Nos. 125, 126, 127 and 128, said applicants are not entitled, under the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stat. 495), to enrollment as citizens by intermarriage of the Cherokee Nation, and their applications for enrollment as such are accordingly denied.

Benjamin F. McCay,

Claremore, Indian Territory.

Dear Sir:-

The Commission has heretofore been furnished an affidavit, showing the birth on May 2, 1902, of Elmer McCay, infant child of yourself and Ida McCay. The affidavit, however, is not properly executed for the reason that your own name appears therein as Frank McCay, and the name of your wife appears and she signs same as Ida B. McCay, while in the application which you made for the enrollment of yourself and family as citizens of the Cherokee Nation, you gave you own name as Benjamin F. McCay and the name of your wife as Ida McCay.

Before the application for the enrollment of your child, Elmer McCay, will be complete, therefore, it will be necessary for you to furnish the Commission with a new affidavit wherein your own name will appear as Benjamin F. McCay and the name of your wife as Ida McCay.

There is enclosed you herewith blank form of affidavit and you are requested to give this matter your immediate attention as the Commission will be without authority, after October 31, 1902, to receive applications for the enrollment of infant

Benjamin F. McCay,

Claremore, Indian Territory.

Dear Sir:

The Commission is in receipt of your letter of October 25, stating that as your child, Elma McCay, died prior to September 1, 1902, and is consequently not entitled to an allotment in the Cherokee Nation, you have not executed a correct affidavit as to the birth of said child.

In reply you are advised that if your child has died since the date of the application made for its enrollment it will be necessary for you to furnish the Commission with a properly executed affidavit of death. There is enclosed you herewith a blank form for such an affidavit.

Respectfully,

Acting Chairman.

Gentlemen:

The Department is in receipt of your communication of January 6, 1903, referring to schedule of Cherokee citizens by blood, which was approved by the Department December 6, 1902, and stating that Elmer McCoy, whose name appears opposite No. 9575 and on roll card No. 3960, has been improperly scheduled under the said name; that his correct name is Elmer McCay, and that he should have been listed for enrollment on roll card No. 5093. You therefore recommend that you be directed to correct the name of this applicant so that it will appear on the schedule opposite No. 9575 and on card No. 5093, as Elmer McCay.

The Commissioner of Indian Affairs concurs in your recommendation, and requests authority to make the same correction on the partial roll in his office. A copy of his letter of January 20, 1903, is inclosed.

Concurring in your recommendation, you will proceed to act accordingly. The name has been changed on the copy of the roll in this office, and the Commissioner has been directed to correct the name on the schedule in his possession.

COMMISSION TO THE FIVE CIVILIZED TRIBES.

CLAREMORE, I.T. Oct. Dec 30th, 1900.

IN THE MATTER OF THE APPLICATION OF JASPER P ALLISON FOR THE ENROLLMENT OF GEORGE ALBERT ALLISON AND ELMER CLEVELAND ALLISON, AS CHEROKEE CITIZENS.

The said Jasper P. Allison, being sworn by Commissioner C. R. Breckinridge, was examined by the Commission and testified as follows:

Q What is your pot office address? A Pryor Creek.
Q Are you a recognized citizen of the CherokeeNation? A Yes, sir.
Q For whom do you now desire to make application? A For George Albert Allison, and Elmer Cleveland Allison.
Q Why are these two parties not mak application for themselves? A They are minor children.
Q Are they living with you? A Yes, sir; they have been living with me; they make that their home; there is one of them over here in town going to school now.
Q What is the age of the eldest one? A Nineteen.
Q What is the age of the next one? A Fifteen.
Q Are they both living in Cooweescoowee District? A Yes, sir.
Q How long have they lived in the Cherokee Nation? A Seven years.
Q Where did they come from when they came to the Cherokee Nation? A Washington State.
Q Who is the father of these two children? A William Allison.
Q Is he living? A No, sir.
Q Is he a Cherokee by blood? A No, sir; a white man.
Q Who is the mother of the children? A Margaret Allison.
Q Is she living? A No, sir.
Q Is she a Cherokee by blood? A Yes, sir.
Q Have these children been outside of the Cherokee Nation at any time within the past three years? A No, sir.
Q They are both alive and living at the present time, are they? A Yes, sir.
Q Have you any official evidence as to the admission of these two children to citizenship in the Cherokee Nation? A Yes, sir.

The applicant presents a certified copy, signed by J. L. Adair, Executive Secretary of the Cherokee Nation, of an act admitting Margaret Allison to citizenship in the Cherokee Nation, it being an act of the National Council approved the 8th day of December, 1894, with the proviso that she remove within the limits of the Nation within six [illegible] from the Approval of the act. The copy bears the seal of the Cherokee Nation and is returned to the applicant.

Q Is the Margaret Allison mentioned in this document the mother of these two children? A Yes, sir.
Q Were these two children enrolled in 1896? A No, sir.
Q Why were they not enrolled? A She was dead, and there was nobody to enroll them.

Jasper P. Allison applies for the enrollment of two minor brothers. They have lived in the Cherokee Nation for the past seven years, and he presents a certified copy of an Act of the Cherokee Council admitting the mother of the two children, Margaret Allison, to citizenship in the Cherokee Nation in 1894.

Attention is called to Sec. 21 of an Act of Congress approved June 28th, 1898, which provides: "That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of 1880, (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendents born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood have been lawfully admitted to citizenship by the tribal authorities and who were minors when their parents were so admitted.

It appears from the evidence that the mother of the two children was admitted to citizenship in the Cherokee Nation, and that these two children were minors at that time, and according to the section just quoted, they are entitled to enrollment as citizens by blood of the Cherokee Nation, and this Commission will enroll them as such.

---o---

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and other proceedings in this application for enrollment, and that the foregoing is a correct and complete transcript of his stenographic notes thereof.

Subscribed and sworn to before me this 30th day of October A. D. 1900.

ACTING CHAIRMAN

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Ida B. Allison et al., as citizens by blood of the Cherokee Nation, consolidating the applications of

Ida B. Allison	Cherokee	5091
George A. Allison et al	"	5094
Jasper P. Allison et al		5095

D E C I S I O N.

The records in these several cases shows that on October 29, 1900, Ida B. Allison appeared before the Commission at Claremore, Indian Territory, and made personal application for the enrollment of herself as a citizen by blood of the Cherokee Nation;

On the same date and at the same place, Jasper P. Allison appeared and made personal application for the enrollment of his minor brothers, George A. and Elmer C. Allison, as citizens by blood of the Cherokee Nation;

On the same date and at the same place, Jasper P. Allison appeared and made personal application for the enrollment of himself and his minor child, Johnnie S. Allison, as citizens by blood of the Cherokee Nation. Thereafter on August 23, 1901, a birth affidavit was filed with this Commission, wherein it is shown that another child, Frankie P. Allison, was born on July 10, 1901.

The evidence shows that the applicants, Ida B., George A., Elmer C. and Jasper P. Allison, are the children of William Allison, a non citizen, and Margaret Allison, a Cherokee by blood; that theb said Margaret Allison was readmitted to citizenship in the Cherokee Nation by an act of the Cherokee National Council, approved December 8, 1894; that at the time of the readmission of said Margaret Allison all of the said applicants were minors. It is further shown that Johnnie S. and Frankie P. Allison are the children of Jasper P. and his wife, Junie A. Allison. Said children are identified by birth affidavits made a part of the record herein.

The evidence further shows that all of the applicants herein, excepting the two last named, have lived in the Cherokee Nation continuously since their mother's readmission in 1894; said two last named applicants have lived in the Cherokee Nation since birth.

It is, therefore, the opinion of this Commission that, following the decision of the Department in the case of Prues L. Rowland et al., (7889-1902), Ida B. Allison, George A. Allison, Elmer C. Allison, Jasper P. Allison, Johnnie S. Allison and Frankie P. Allison should be enrolled as citizens by blood of the Cherokee

Nation, in accordance with the provisions of section twenty-one of the act of Congress approved June 28, 1898 (30 Stats., 495), and it is so ordered.

DEPARTMENT OF THE INTERIOR,
Office of Indian Affairs,
Washington, April 1, 1904.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to transmit herewith a report from the Commission to the Five Civilized Tribes dated October 10, 1903, transmitting the record relative to the application of Ida B. Allison et al. for enrollment as citizens by blood of the Cherokee nation. Ida Allison applied for the enrollment of herself. Jasper P. Allison applied for the enrollment of himself and his minor children, George A. and Elmer C. Allison. He also applied for the enrollment of his minor child, Jennie Allison. Subsequent to the date of the original application, application was also made for the enrollment of Frankie P. Allison, minor child of Junia A. and Jasper P. Allison. Said minor was born July 10, 1901, and is properly identified by birth affidavit.

The record in this case shows that Ida B.,Allison A., Elmer C. and Jasper P. Allison are the children of William Allison, a non-citizen, and Margaret Allison, a Cherokee by blood, who was readmitted to citizenship in the Cherokee nation by the National Council under an act approved December 8, 1894, and that at the time of the readmission of Margaret Allison all of the applicants above named were minors. Jennie S. and Frankie P. Allison are the minor children of Jasper P. and Junia A. Allison.

The evidence further shows that all of the applicants except the two minors last mentioned have lived in the Cherokee nation since the readmission of Margaret Allison in 1894.

September 11, 1903, the Commission rendered a decision favorable to all of the applicants. The nation protests against this decision, and takes the position that as all of the applicants applied to the Commission in 1896, and were rejected, they are not now entitled to enrollment, as the Commission's decision in 1896 becomes final.

If these applicants are entitled to enrollment it is by virtue of being descendants of a person admitted to citizenship in the Cherokee nation by the tribal authorities.

From the record it appears that the act of December 8, 1904, required that Margaret Allison remove within the limits of the Cherokee Nation within six months from the approval of the act, and the evidence shows that she complied with the requirements of the act of admission. Her minor children do not seem to have been mentioned in the act, but their rights, it appears to this office, were settled by the Department in the Fred H. Rowland case, and it is not believed that the decision of the Commission in 1896 has any effect upon their rights. Under the Department's decision in the Rowland case the principal applicants were entitled to admission in 1896, and they were entitled to admission by reason of being citizens of the Cherokee nation, by virtue of the fact that their mother was admitted to citizenship at a time when they were minors.

The approval of the Commission's decision, favorable to all of the applicants, is recommended.

Very respectfully,

A. S. Tanner,

Acting Commissioner.

I am in receipt of Departmental telegram of February 23, 1907, directing me to inspect the approved rolls of citizens of the Cherokee Nation to determine what persons have been enrolled thereon contrary to the views expressed by the Attorney General in his opinion of February 19, 1907, and whose names should be stricken therefrom, and also directing me to furnish the Department with a list of such names, with their roll numbers, and such information as will permit of its being determined whether such names should be stricken from the rolls. I am also in receipt of Departmental letter of same date (I.T.D. 4564-1907) confirming said telegram.

In reply thereto, here follows a list of the persons whose names appear upon the final approved rolls of the Cherokee Nation whose right to enrollment is adversely affected by the opinion of the Attorney General of February 19, 1907, and in the opinion of this office the names should, if the opinion of the Attorney General is to be followed in all cases, be stricken from the final roll of citizens of the Cherokee Nation, as their

names appear thereon opposite the numbers indicated.

Sufficient data accompanies each case referred to to indicate the reasons for the above recommendation.

31910 Allison, John

31956 Allison, Ida B.

31957 Allison, George A. Patent recorded

31958 Allison, Elmer C.

31959 Allison, Jasper P. Patent recorded.

31960 Allison, Johnnie S.

31961 Allison, Frankie P. Patent recorded

Of the above named persons application was made to the Commission to the Five Civilized Tribes for the admission to citizenship in the Cherokee Nation, under the provisions of the Act of Congress approved June 10, 1896 (29 Stat. 321), for John Allison, Ida B. Allison, George A. Allison, Elmer C. Allison, and Jasper P. Allison; their application was denied by the Commission and no appeal was taken therefrom.

The decision of the Commission to the Five Civilized Tribes granting the application of John Allison for enrollment as a citizen by blood of the Cherokee Nation was affirmed by the Department April 11, 1904 (I. T. D. 2058-1903-2856-1904). The decision of the Commission to the Five Civilized Tribes granting the application for the enrollment of the other above named persons as citizens by blood of the Cherokee Nation, was

affirmed by the Department April 16, 1904 (I.T.D.2868-1904).

Johnnie S. Allison and Frankie P. Allison, are minor children of Jasper P. Allison, were born since the decision of the Commission under the act of June 10, 1896, and possess no right to enrollment as citizens of the Cherokee Nation, other than as descendants of their said father.

The mother of these persons, other than Johnnie S. and Frankie P. Allison, was Margaret Allison, now deceased, who was admitted to citizenship in the Cherokee Nation under an Act of the Cherokee National Council approved December 8, 1894, conditioned upon her removal to the Cherokee Nation within six months from the approval of said Act. The records in these cases show that she complied with the requirements of the Act. Her said children were minors when she was admitted to citizenship, and they removed to and settled in the Cherokee Nation in 1894.

The records of this office further show that said Margaret Allison applied to the Commission to the Five Civilized Tribes for admission to citizenship in the Cherokee Nation, under said Act of June 10, 1896, and that her application was also denied by the Commission.

The status of the persons whose names appear in the above list as citizens of the Cherokee Nation, remains unchanged since 1896 except as above noted.

In the above list in all cases where patents have been recorded in the office of the Commissioner to the Five

Civilized Tribes, notation has been made to that effect. Where no notation relative to patents appears it indicates that no patents to any allotment selection which may have been made by the person affected, has been recorded.

Those persons enrolled in the Choctaw, Chickasaw, and Creek Nations, whose right to enrollment is adversely affected by the opinion of the Attorney General of February 19, 1907, heretofore referred to, will be made the subjects of separate communications of this date.

Respectfully,

Commissioner.

WASHINGTON.

January 19, 1909.

File 5-31

The Commissioner to the
Five Civilized Tribes,
Muskogee, Oklahoma.

Sir:

November 30, 1908, the Supreme Court rendered decisions in what are known as the Goldsby and Allison cases. These suits were brought to obtain mandates against the Secretary of the Interior to correct the rolls as to said Goldsby and Allisons, on the ground that the Secretary of the Interior after placing their names upon approved rolls of citizenship had attempted to strike them from those rolls without notice and an opportunity to be heard. The decision of the Supreme Court is that mandate shall issue in these cases.

There are many suits of a similar nature pending against the Secretary of the Interior, and after careful conferences between this Department and the Department of Justice it was decided that judgment should be allowed in all pending mandamus actions in which the relators stand clearly in the same position as Goldsby and the Allisons. Pursuant to these

conferences and to the judgments which may be entered on account of the above decisions of the Supreme Court, you are hereby directed to erase the interlineations and notations which purport to strike any of the following names from the rolls of citizens of the respective nations of the Five Civilized Tribes:

A careful investigation of these names concerning which no suits were brought, but which, after being upon an approved Roll of citizens or freedmen of any of the Five Civilized Tribes, were stricken therefrom without notice and an opportunity to be heard, has thus far developed a list which undoubtedly falls within the principles expressed by the Supreme Court in the Goldsby decision. All these persons are in the same position as those named in the above list of those who had filed suits prior to that decision. It follows necessarily that, if suits were instituted in these cases, judgment must be allowed as was done in the case of the names of the above list. For this reason I have decided that it would be improper to delay the correction of the rolls as far as these persons are concerned. Such delay would continue the rolls in an incorrect condition according to the opinion of the Supreme Court, would bring hardship and expense upon the citizens and freedmen involved, and would delay completion of the work of the Commission to the Five Civilized Tribes.

-6-

The correction of the rolls in these cases does not add names to the rolls, but merely erases from the rolls interlineations and notations which the court says the Secretary of the Interior had no power to place there. For these reasons you are hereby directed to erase the interlineations and notations which purport to strike any of the following names from the rolls of citizens of the respective nations of the Five Civilized Tribes:

In order that the action of erasure may be uniform for all names and upon all rolls, you will make such erasures in the following manner: The lines drawn through and purporting to cancel the names from the rolls shall be lined out by drawing across them short transverse lines in red ink. The notations purporting to cancel the names from the rolls shall be lined out by drawing through each line of said notations red horizontal lines. In addition to lining out the interlineations and notations you will insert a note at the foot or side of each page containing any of these corrections, said note to be indicated by stars placed before the names involved. The note shall read as follows:

"Words and lines purporting cancellation erased by authority of departmental letter of January 19, 1909 (File 5-51)."

You will notify all persons whose status on the rolls has been recognized as above of the action taken, and that they have all the rights to allotment and payments enjoyed by other citizens, as though no attempt had ever been made to cancel their names from the rolls.

-9-

Except for the Allisons named in above lists, I am not ready to give you a list of the Cherokees and Creeks whose status upon the rolls will be corrected upon the principles of the Goldsby decision. Direction concerning them will follow within a week.

There are other names which were upon approved rolls and were erased or stricken therefrom by the Secretary of the Interior without notice. Some of these are already the subject of injunction or mandamus actions against the Secretary of the Interior, and in other cases such action has not been instituted. There are reasons which make it doubtful whether these persons fall indubitably under the principles of the Goldsby decision. Careful consideration of the matter will be given at once, and, according to the decision reached in each case, the persons involved will be left to such court action as they deem wise or will have the rolls corrected by departmental action in the manner indicated for the two lists set forth above.

A sample page is enclosed, showing the method of erasure to be followed by all officers in the correcti n of the rolls.

Secretary.

MR. W. W. HASTINGS: (Representative of Cherokee Nation) Did you apply for enrollment in 1896? A Yes, sir.

Q Did the census takers decline to enroll you? A No, sir; Mr. Baugh was tending to it for us.

MR. JOEL M. BAUGH: (Representative of Cherokee Nation) His mother was admitted in 1894, and she died in 1895. When the census takers went around they refused to enroll any of these children from the fact that they were not admitted.

The applicant applies for the enrollment of himself and one child. He is not identified upon the census roll of 1896 or upon the strip payment roll of 1894. He removed to the Cherokee Nation seven years ago. He has lived here continuously since that time. He presents a certificate showing that his mother was admitted to citizenship in 1894. He was a minor at the time his mother was admitted to citizenship in the Cherokee Nation. He avers that the reason he was not placed upon the census roll of 1896 was that he was a minor and had no one to look after his affairs. He presents evidence as to his marriage with one Junie Westfall on the 4th day of December, 1898. The result of his marriage to her was one child. This child is not identified upon the census roll of 1896.

Attention is called to Sec. 21 of an act of Congress approved June 28th, 1898, (Curtis Bill) which provides: "That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of 1880 (not including freedmen) as the only roll intended to be confirmed by this and preceding acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted."

According to the section just quoted, the applicant is entitled to

citizenship in the Cherokee Nation, and will be listed by this Commission for enrollment as a Cherokee citizen by blood.
And when he files a duly executed affidavit as to the birth of his child it also will be listed with its father as a Cherokee citizen by blood.

---o---

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and other proceedings in this application for enrollment, and that the foregoing is a correct and complete transcript of his stenographic notes thereof.

In the matter of the application for the enrollment of Ida B. Allison et al., as citizens by blood of the Cherokee Nation, consolidating the applications of

Ida B. Allison	Cherokee	5091

Jasper P. Allison et al		5095

D E C I S I O N.

The records in these several cases shows that on October 29, 1900, Ida B. Allison appeared before the Commission at Claremore, Indian Territory, and made personal application for the enrollment of herself as a citizen by blood of the Cherokee Nation;

On the same date and at the same place, Jasper P. Allison appeared and made personal application for the enrollment of his minor brothers, George A. and Elmer C. Allison, as citizens by blood of the Cherokee Nation;

On the same date and at the same place, Jasper P. Allison appeared and made personal application for the enrollment of himself and his minor child, Johnnie S. Allison, as citizens by blood of the Cherokee Nation. Thereafter on August 23, 1901, a birth affidavit was filed with this Commission, wherein it is shown that another child, Frankie P. Allison, was born on July 10, 1901.

The evidence shows that the applicants, Ida B., George A., Elmer C. and Jasper P. Allison, are the children of William Allison, a non citizen, and Margaret Allison, a Cherokee by blood; that the said Margaret Allison was readmitted to citizenship in the Cherokee Nation by an act of the Cherokee National Council, approved December 8, 1894; that at the time of the readmission of said Margaret Allison all of the said applicants were minors. It is further shown that Johnnie S. and Frankie P. Allison are the children of Jasper P. and his wife, Junie A. Allison. Said children are identified by birth affidavits made a part of the record herein.

The evidence further shows that all of the applicants herein, excepting the two last named, have lived in the Cherokee Nation continuously since their mother's readmission in 1894; said two last named applicants have lived in the Cherokee Nation since birth.

It is, therefore, the opinion of this Commission that, following the decision of the Department in the case of Prues L. Rowland et al., (7889-1902), Ida B. Allison, George A. Allison, Elmer C. Allison, Jasper P. Allison, Johnnie S. Allison and Frankie P. Allison should be enrolled as citizens by blood of the Cherokee

Nation, in accordance with the provisions of section twenty-one of the act of Congress approved June 28, 1898 (30 Stats., 495), and it is so ordered.

DEPARTMENT OF THE INTERIOR,
Office of Indian Affairs,
Washington, April 1, 1904.

The Honorable,
The Secretary of the Interior.

Sir:

I have the honor to transmit herewith a report from the Commission to the Five Civilized Tribes dated October 10, 1903, transmitting the record relative to the application of Ida B. Allison et al. for enrollment as citizens by blood of the Cherokee nation. Ida Allison applied for the enrollment of herself. Jasper P. Allison applied for the enrollment of himself and his minor children, George A. and Elmer C. Allison. He also applied for the enrollment of his minor child, Jennie Allison. Subsequent to the date of the original application, application was also made for the enrollment of Frankie P. Allison, minor child of Junia A. and Jasper P. Allison. Said minor was born July 10, 1901, and is properly identified by birth affidavit.

The record in this case shows that Ida B., Allison A., Elmer C. and Jasper P. Allison are the children of William Allison, a non-citizen, and Margaret Allison, a Cherokee by blood, who was readmitted to citizenship in the Cherokee nation by the National Council under an act approved December 8, 1894, and that at the time of the readmission of Margaret Allison all of the applicants above named were minors. Jennie S. and Frankie P. Allison are the minor children of Jasper P. and Junia A. Allison.

The evidence further shows that all of the applicants except the two minors last mentioned have lived in the Cherokee nation since the readmission of Margaret Allison in 1894.

September 11, 1903, the Commission rendered a decision favorable to all of the applicants. The nation protests against this decision, and takes the position that as all of the applicants applied to the Commission in 1896, and were rejected, they are not now entitled to enrollment, as the Commission's decision in 1896 became final.

If these applicants are entitled to enrollment it is by virtue of being descendants of a person admitted to citizenship in the Cherokee nation by the tribal authorities.

From the record it appears that the act of December 8, 1904, required that Margaret Allison remove within the limits of the Cherokee Nation within six months from the approval of the act, and the evidence shows that she complied with the requirements of the act of admission. Her minor children do not seem to have been mentioned in the act, but their rights, it appears to this office, were settled by the Department in the Prusa L. Rowland case, and it is not believed that the decision of the Commission in 1896 has any effect upon their rights. Under the Department's decision in the Rowland case the principal applicants were entitled to admission in 1896, and they were entitled to admission by reason of being citizens of the Cherokee nation, by virtue of the fact that their mother was admitted to citizenship at a time when they were minors.

The approval of the Commission's decision, favorable to all of the applicants, is recommended.

Very respectfully,

A. C. Tanner,

Acting Commissioner.

DIRECT

Muskogee, Indian Territory, February 27, 1907

The Honorable,

Secretary of the Interior.

Sir:

I am in receipt of Departmental telegram of February 23, 1907, directing me to inspect the approved rolls of citizens of the Cherokee Nation to determine what persons have been enrolled thereon contrary to the views expressed by the Attorney General in his opinion of February 19, 1907, and whose names should be stricken therefrom, and also directing me to furnish the Department with a list of such names, with their roll numbers, and such information as will permit of its being determined whether such names should be stricken from the rolls. I am also in receipt of Departmental letter of same date (I.T.D. 4564-1907), confirming said telegram.

In reply thereto, here follows a list of the persons whose names appear upon the final approved rolls of the Cherokee Nation whose right to enrollment is adversely affected by the opinion of the Attorney General of February 19, 1907, and in the opinion of this office the

names should, if the opinion of the Attorney General is to be followed in all cases, be stricken from the final roll of citizens of the Cherokee Nation, as their names appear thereon opposite the numbers indicated.

Sufficient data accompanies each case referred to to indicate the reasons for the above recommendation.

31918 Allison, John

31936, Allison, Ida E.

31937 Allison, George A. Patent Recorded

31938 Allison, Elmer C.

31939 Allison, Jasper P. Patent recorded.

31940 Allison, Johnnie S.

31941 Allison, Frankie P. Patent recorded

Of the above named persons application was made to the Commission to the Five Civilized Tribes for the admission to citizenship in the Cherokee Nation, under the provisions of the Act of Congress approved June 10, 1896 (29 Stat. 321), for John Allison, Ida E. Allison, George A. Allison, Elmer C. Allison, and Jasper P. Allison; their

application was denied by the Commission and no appeal was taken therefrom.

The decision of the Commission to the Five Civilized Tribes granting the application of John Allison for enrollment as a citizen by blood of the Cherokee Nation was affirmed by the Department April 11, 1904 (I.T.D. 9038-1903-2866-1904). The decision of the Commission to the Five Civilized Tribes granting the application for the enrollment of the other above named persons as citizens by blood of the Cherokee Nation, was affirmed by the Department April 16, 1904 (I.T.D. 2868-1904).

Johnnie S. Allison and Frankie P. Allison, are minor children of Jasper P. Allison, were born since the decision of the Commission under the Act of June 10, 1896, and possess no right to enrollment as citizens of the Cherokee Nation, other than as descendants of their said father.

The mother of these persons, other than Johnnie S. and Frankie P. Allison, was Margaret Allison, now deceased, who was admitted to citizenship in the Cherokee Nation under an Act of the Cherokee National Council approved

December 8, 1894, conditioned upon her removal to the Cherokee Nation within six months from the approval of said Act. The records in these cases show that she complied with the requirements of the Act. Her said children were minors when she was admitted to citizenship, and they removed to and settled in the Cherokee Nation in 1896.

The records of this office further show that said Margaret Allison applied to the Commission to the Five Civilized Tribes for admission to citizenship in the Cherokee Nation, under said Act of June 10, 1896, and that her application was also denied by the Commission.

The status of the persons whose names appear in the above list as citizens of the Cherokee Nation, remains unchanged since 1896 except as above noted.

In the above list in all cases where patents have been recorded in the office of the Commissioner to the Five Civilized Tribes, notation has been made to that effect. Where no notation relative to patents appears it indicates that no patents to any allotment selection which

Secretary-2

may have been made by the persons affected , has been received.

There persons enrolled in the Cherokee, Chickasaw, and Creek Nations, whose right to enrollment is adversely affected by the opinion of the Attorney General of February 19, 1907, heretofore referred to, will be made the subjects of separate communications of this date.

Respectfully,

File 5-51

The Commissioner to the

Five Civilized Tribes,

Muskogee, Oklahoma.

Sir:

November 30, 1908, the Supreme Court rendered decisions in what are known as the Goldsby and Allison cases. These suits were brought to obtain mandates against the Secretary of the Interior to correct the rolls as to said Goldsby and Allisons, on the ground that the Secretary of the Interior after placing their names upon approved rolls of citizenship had attempted to strike them from those rolls without notice and an opportunity to be heard. The decision of the Supreme Court is that mandate shall issue in these cases.

There are many suits of a similar nature pending against the Secretary of the Interior, and after careful conferences between this Department and the Department of Justice it was decided that judgment should be allowed in all pending mandamus actions in which the relators stand clearly in the same position as Goldsby and the Allisons. Pursuant to these

conferences and to the judgments which may be entered on account of the above decisions of the Supreme Court, you are hereby directed to erase the interlineations and notations which purport to strike any of the following names from the rolls of citizens of the respective nations of the Five Civilized Tribes:

A careful investigation of these names concerning which no suits were brought, but which, after being upon an approved roll of citizens or freedmen of any of the Five Civilized Tribes, were stricken therefrom without notice and an opportunity to be heard, has thus far developed a list which undoubtedly falls within the principles expressed by the Supreme Court in the Goldsby decision. All these persons are in the same position as those named in the above list of those who had filed suits prior to that decision. It follows necessarily that, if suits were instituted in these cases, judgment must be allowed as was done in the case of the names of the above list. For this reason I have decided that it would be improper to delay the correction of the rolls as far as these persons are concerned. Such delay would continue the rolls in an incorrect condition according to the opinion of the Supreme Court, would bring hardship and expense upon the citizens and freedmen involved, and would delay completion of the work of the Commission to the Five Civilized Tribes.

The correction of the rolls in these cases does not add names to the rolls, but merely erases from the rolls interlineations and notations which the court says the Secretary of the Interior had no power to place there. For these reasons you are hereby directed to erase the interlineations and notations which purport to strike any of the following names from the rolls of citizens of the respective nations of the Five Civilized Tribes:

PERSONS WHO HAD NOT INSTITUTED SUITS PRIOR TO THE GOLDSBY DECISION BUT WHOSE CASES FALL INDUBITABLY UNDER THE PRINCIPLES OF THAT DECISION.

In order that the action of erasure may be uniform for all names and upon all rolls, you will make such erasures in the following manner: The lines drawn through and purporting to cancel the names from the rolls shall be lined out by drawing across them short transverse lines in red ink. The notations purporting to cancel the names from the rolls shall be lined out by drawing through each line of said notations red horizontal lines. In addition to lining out the interlineations and notations you will insert a note at the foot or side of each page containing any of these corrections, said note to be indicated by stars placed before the names involved. The note shall read as follows:

"Words and lines purporting cancellation erased by authority of departmental letter of January 19, 1909 (File 5-51)."

You will notify all persons whose status on the rolls has been recognized as above of the action taken, and that they have all the rights to allotment and payments enjoyed by other citizens, as though no attempt had ever been made to cancel their names from the rolls.

Except for the Allisons named in above lists, I am not ready to give you a list of the Cherokees and Creeks whose status upon the rolls will be corrected upon the principles of the Goldsby decision. Direction concerning them will follow within a week.

There are other names which were upon approved rolls and were erased or stricken therefrom by the Secretary of the Interior without notice. Some of these are already the subject of injunction or mandamus actions against the Secretary of the Interior, and in other cases such action has not been instituted. There are reasons which make it doubtful whether these persons fall indubitably under the principles of the Goldsby decision. Careful consideration of the matter will be given at once, and, according to the decision reached in each case, the persons involved will be left to such court action as they deem wise or will have the rolls corrected by departmental action in the manner indicated for the two lists set forth above.

A sample page is enclosed, showing the method of erasure to be followed by all officers in the correcti n of the rolls.

Very respectfully,

Secretary.

My dear Mr. Landman:

Reference is made to your letter of July 8, requesting the original or photostatic copies of the birth affidavits filed in connection with the applications of Johnnie S. and Frankie P. Allison, made on October 29, 1900, for enrollment with the Cherokee Nation.

Enclosed are photostatic copies of these documents for the official use of your office. NOTICE IS HEREBY GIVEN that the undersigned, the Commissioner to the Five Civilized Tribes, has been designated by the Secretary of the Interior, as the official to make and approve appraisals of the value of improvements upon land in the Cherokee Nation which were made prior to November 5, 1906, by white persons who intermarried with Cherokee citizens prior to December 16, 1895, and who have the right under the Act of Congress approved March 2, 1907 (Public 180), to sell improvements.

NOTICE IS FURTHER GIVEN that former claimants to citizenship by intermarriage who have made permanent and valuable improvements on lands of the Cherokee Nation and who claim the right to sell the same under and by virtue of said Act of Congress of March 2, 1907 (Public 180), must appear before the Commissioner to the Five Civilized Tribes prior to April 1, 1907, and designate the land upon which are located the improvements which they claim the right to sell by virtue of said Act; and if any such intermarried citizen shall fail to appear before the Commissioner to the Five Civilized Tribes prior to April 1, 1907, it will be considered that he makes no claim to the benefits conferred by said Act. Charles P. Howard,

Perum, Indian Territory.

Dear Sir:

The records of this office show that on April 18, 1902, an application was filed with the Commission to the Five Civilized Tribes for the enrollment of Charles Franklin Howard, child of yourself and Gertrude Howard, a non citizen of the Cherokee Nation. Said child is shown to have been born January 7, 1902.

The records further show that on June 1, 1906, application was received for the enrollment, under the provisions of the Act of Congress approved April 26, 1906, of Pearley May Howard, child of Charles P. and Gertrude Howard. Said child is shown to have been born March 16, 1902.

It seems apparent that the date of the birth of

C.P.H.-2

one of these children is erroneously given, and you are requested to advise this office in reference to the matter by return mail.

You are requested to return this letter with your reply.

Respectfully,

Cross-examination by the Delegate—

Q. The application for the enrollment of [illegible] who [illegible] is shown to have married her [illegible] in the State of Texas in 1857. She states that they have lived together as husband and wife until he died. He is said to have been admitted to Cherokee citizenship in 1843; he was a [illegible] Indian, [illegible] to the Cherokee Nation during the 18[illegible] prior to his admission, when he died. His wife came to the Cherokee Nation in 1[illegible] and has lived here ever since; she is [illegible] of the [illegible] of 1896. She has married, or at least the marriage ceremony was performed between her and one Patrick Martin in 1[illegible]; it is stated that Martin was a man not to have been divorced from his wife and that after living with him a few years, she left him, she declares that the marriage between her and Martin was void. She presents no official evidence to that effect, or is she able at this time to present any official evidence of the fact stated by her in regard to Martin's previous marriage. She states that since her alleged marriage to Martin, she has never remarried, and has continued to live in the Cherokee Nation. She will not be listed on a doubtful card as a Cherokee by election for further consideration of her status arising from her having been married to her first husband outside of the Cherokee Nation, and prior to his admission, and not remarried to him afterwards and also to consider the effect of her relations with Patrick Martin. The child, James P. Nicholson, is said to have been admitted with his father in 1883; he has lived in the Cherokee Nation ever since 1884; is identified on the roll of 1896; is living now, and will be listed for enrollment as a Cherokee by blood.

I, E. C. Rothenberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported the proceedings in the above case, and that the foregoing is a true and complete translation of his stenographic notes in said case.
